Important Information

- When you are an ECCO or PSEO student, you are considered an **adult learner**.
  - The HS or your parents **DO NOT** have access to academic information through the college (grades, course material, schedules, etc.)
  - If you have a question about deadlines, course work, etc. **YOU** are responsible for reaching out to your professor/the college with your question.
  - You are responsible for knowing how many credits you have earned and what classes you need to take to graduate from OHS, with the school counselor's assistance.
- Students must maintain a C-average or 2.0 GPA in each course in order to maintain in good standing as a college student. If a course is failed, withdrawn too late, or falls below a 2.0 GPA, a meeting will be called involving the student, their parent/guardian, the school counselor, and an administrator to discuss the student's eligibility to take college courses in the future and reimbursement for the failed course. If the student is deemed eligible to take college courses again, they will be on academic probation.
  - If courses fail the next semester, or fall below a 2.0 GPA, the student will not be allowed to take college classes again and will need to reimburse the school for the funds of the class.
