

**2024 - 2025 LLMEA PRIVATE TEACHER OF THE YEAR AWARD
NOMINATION INFORMATION & FORM**

Dear LLMEA directors,

Since December 2009, LLMEA has recognized and honored local private teachers who exemplify the same standards, vision, and mission of musical excellence of our association and consistently contribute to the support of music education within Lancaster and Lebanon counties. This prestigious award not only pays tribute to the exceptional efforts of these educators but also inspires our future musicians.

The Private Teacher of the Year Award welcomes nominations from all private teachers, regardless of their instrumental or vocal specialties. During the 2008 LLMEA General Membership Meeting, it was decided that a maximum of two (2) private teacher awards would be presented annually. Both deserving recipients will be invited to the annual LLMEA Honors Banquet, where they will receive formal recognition and appreciation for their commitment to fostering inclusive music education within Lancaster and Lebanon counties.

FORM: To formally nominate a private teacher, please complete this year's [LLMEA Private Teacher of the Year Award Nomination Form](#). Please use your school district email address that is on file with LLMEA.

DEADLINE: Formal nominations must be received by **Friday, December 20, 2024 @ 11:59 p.m.** to be considered for this year's award.

VOTING: The selection of award recipients will occur at a later date, to be announced, and will be determined by the current year's LLMEA General Membership.

Thank you for your continued support in recognizing the outstanding contributions of private teachers in our community.
