

Pond Springs Elementary School

Round Rock Independent School District

Sjoukje Brown
Principal

Tanya Richardson
Assistant Principal

Volunteer Contract

I understand in the course of my volunteer duties at Pond Springs Elementary School, I may become aware of confidential information about specific students. This exposure may include information such as students' academic performance, behavior, disabilities and related matters. I understand and agree that I will not disclose any such confidential information except to school employees who have a need to know. I also agree that I will not photograph students, other than my own child, or share photographs of other students on social media. I further understand that any such disclosure will result in termination of my volunteer duties and eliminate the possibility from further such duties in or around the school from that point forward.
