SKILLS AND EXPERIENCE STATEMENT FOR BOARD NOMINEES

The Board of the Community Land Trust (CLT) is responsible for all the organisation's work and finances. It involves dedication and commitment to the organisation and the community. Board meetings are held every month for two hours.

In addition to this, Board members should take a particular interest in one area of the CLT's work and volunteer their time to action various items between Board meetings.

The following is a list of the skills and experience we need on the Board so that it is equipped to manage the CLT. We do not expect members to have all of these attributes – you may only have a few – but please tell us where you have experience/skills, and briefly describe what these are.

<p><i>Do you have skills, experience or understanding?</i></p>	<p><i>Where you have indicated 'yes' to an attribute, please state why and what you can contribute to the Board. We only need a brief outline – no more than 2 or 3 sentences for each</i></p>
