PEARS TO SHARE! Thanks to the Hulls on Apple Orchard and our amazing maintenance team and bucket truck, we have Pears to Share! Stop by the Association Office if you'd like some homegrown Bartlett pears. The deer give them 2 hooves up!

LOST BIKE? There was a bike found last week after the Music at the Marina event. Call the office or contact Kevin Martin at kevm@comporium.net to identify and claim.

DEER RESISTANT PLANTINGS:

From a fellow resident...some deer resistant plants that have lasted in her yard...

Astilbe
