August/September 2022

Welcome back for the 2022-23 school year!

Principal's Thoughts!

We were so elated to get the students back into the school building last week! We are hoping to keep that momentum rolling throughout the school year.

On behalf of the staff at Lebanon Elementary School, "Home of the Greyhounds," I am happy to welcome you to the 2022-2023 academic school year! We look forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that children need support from home and school to be successful. We know a strong partnership with you will make a tremendous difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our best to fulfill our obligations. The administration and staff strive to provide a welcoming, safe space for not only a high-quality, rigorous learning environment but to foster a nurturing social-emotional space as well. We ask that you guide and support your child's learning by ensuring they:

- Attend school daily and arrive on time, prepared for the day's learning experience
- Stay informed and communicate with teachers
- Share school experiences with you so you are aware and can advocate

We have been very busy preparing for students to return to learning! Our District 9 team looks forward to a wonderful year. A major change for this year that I'd like to remind you about is that every Wednesday all students will be dismissed at 1:45 PM. This will allow our teachers the opportunity to meet in PLC's (Professional Learning Committees) to plan, discuss, and strategize on how to increase test scores and raise our overall academic achievement.

Another addition coming your way this school year will be the LES Enrichment Program. Please read the attachment below for information. There will be more information disseminated this upcoming week.

Enrichment Program Parent Letter
