May 15, 2026

Hello, Gust Families,

Things are moving quickly as we approach the end of the school year! Our intermediate classes have been heading to Skate City, and primary students recently visited the Arvada Center for a performance of Junie B. Jones. Fourth and fifth graders also attended a presentation by Denver Water. Additionally, Ms. Templeton accompanied our fourth-grade students on a rock climbing excursion to Castlewood Canyon, and those with perfect attendance celebrated with an evening at Urban Air.

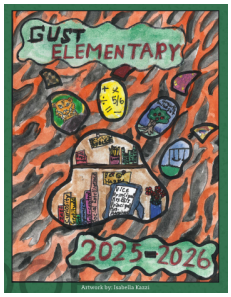

Don't miss our annual Scholastic Book Fair next week. Students are invited to browse during their classes, or you can join them from 2:50 to 3:30 PM.

Key Dates to Remember:

- May 18-21: Scholastic Book Fair
- May 21: ECE Field Day & Talent Show (5:30 PM)
- May 22: Field Day (Grades K-5) & Final Day for 5th Graders
- May 25: Memorial Day (No School)
- May 27: 5th Grade Continuations
    - 8:00 AM: Rocco/Hermosa
    - 9:00 AM: Mobarez/Pilon
- May 28: ECE & Kindergarten Continuations (verify times with teachers)

Stay updated on all our school events by following us on Facebook and Instagram.

Gust 2025-2026 Yearbooks are on sale now!

Reserve yours today in your myschoolbucks account.

Operations:

Dear Gust Families,

The Panorama Family Pilot Survey is open now through **Sunday, May 31**. The survey takes 7-10 minutes to complete and your responses are confidential. You will be asked questions about your experience at Gust and the communications we've sent you this year. This is a pilot survey that will help us make your school experience better while also testing out the district's new survey platform, Panorama.

If you have questions, email surveys@dpsk12.net.

Thank you for your valuable feedback!

📣Gust Elementary is launching a **School Family Business Directory** to highlight the diverse services and products offered by their community's entrepreneurs and small business owners. Families and staff can easily support these businesses, and submitting the required form grants permission to share business details within the school network.

SEL

Community Resource Bank

As we prepare for the end of the school year, the Family and Community Engagement (FACE) team is looking ahead to help students start next year ready to learn and succeed!
