Hello, Gust Families,

Things are moving quickly as we approach the end of the school year! Our intermediate classes have been heading to Skate City, and primary students recently visited the Arvada Center for a performance of Junie B. Jones. Fourth and fifth graders also attended a presentation by Denver Water. Additionally, Ms. Templeton accompanied our fourth-grade students on a rock climbing excursion to Castlewood Canyon, and those with perfect attendance celebrated with an evening at Urban Air.

Don't miss our annual Scholastic Book Fair next week. Students are invited to browse during their classes, or you can join them from 2:50 to 3:30 PM.

### Operations:

Dear Gust Families,

[The Panorama Family Pilot Survey](#) is open now through **Sunday, May 31**. The survey takes 7-10 minutes to complete and your responses are confidential. You will be asked questions about your experience at **Gust** and the communications we've sent you this year. This is a pilot survey that will help us make your school experience better while also testing out the district's new survey platform, Panorama.

If you have questions, email [surveys@dpsk12.net](mailto:surveys@dpsk12.net).

Thank you for your valuable feedback!

🚩 Gust Elementary is launching a [School Family Business Directory](#) to highlight the diverse services and products offered by their community's entrepreneurs and small business owners. Families and staff can easily support these businesses, and [submitting the required form](#) grants permission to share business details within the school network.
