

Luna's Future

(Orig capo 0)

Am G F G-
I see a cold wind blowing through,
Am G F G-
I see days neither fun nor free
Am G F G-
I see a future caused by you,
Am G F G-
I see a path not meant to be:
Dm F C
The future should be filled with magic,
G Am Em C
Dreams and wishes brought to life.
Dm C
But the days ahead are dark and tragic:
F G

Am Em

F Em

Am Em
Because of you, Snowfall Frost,
Dm Em F
Now the future is a cold nightmare!
