

I am so excited to work with you and your child this upcoming year. This will be a fabulous adventure together! I am always grateful for donations of classroom supplies, the school year is more colorful and entertaining with your love and support.

Monetary donations are appreciated. The money will be used toward class projects, activities, and teaching materials. Please voluntarily donate what you can. On average we ask for a donation of \$25.00. Field trips cost extra money, for example JA City is \$10.00 per student and most other field trips are \$5.00 per student. If you would like to make a sum donation of field trips with your class donation you may.

All donations of class supplies will be pooled to class community supplies, this ensures supplies are on hand when needed.
