Guiding Questions	○ What “bodies of water” does your research or teaching engage with? ○ What “bodies of water” does my paradigm (ways of knowing, being and valuing) align with? What ways of knowing, being and valuing might be missed within my personal lens? ○ What are my own social locations? (Am I queer, trans, non-binary, bi, ace etc.? Am I white, Black, Indigenous, Latinx, Asian etc.? Is my racial identity legible by others? Am I disabled or able-bodied? Do I come from an upper, middle or low class context? What best reflects my financial situation currently? Am I thin, midsized, fat? How am I perceived by others?) ○ What “bodies of water” do I feel comfortable engaging with? Am I worried or afraid of engaging with other “bodies of water”?

HOW CAN I ETHICALLY ENGAGE?
