

## Become an EnlightenAI Ambassador!

EnlightenAI is an AI platform designed to transform the grading, feedback, and reteaching process for teachers. Its flagship personalized AI grading assistant learns and adapts to each teacher's unique style and expectations, suggesting scores and feedback that align with specific criteria. The tool helps teachers to save time, enhance feedback quality, and maintain consistency in grading with astounding accuracy.

Since its introduction, EnlightenAI has been used in classrooms across the country, and teachers are praising its impact and the time it has saved them. **We want your help to take EnlightenAI to the next level.**

**We're recruiting educators to join us as EnlightenAI Ambassadors to transform the grading and feedback process, provide crucial insights, and promote EnlightenAI within their communities.**
