

Listrik Dinamis Lab Privacy & Policy

Listrik Dinamis Lab and its affiliates (Listrik Dinamis Lab, us, our, or we) are dedicated to protect the privacy of our users (users or you). This Privacy Policy (the Policy) describes the ways we collect, store, use, and manage the information, including personal information, that you provide or we collect in our products, including websites, apps, and games that we provide from our official channels.

Please note that the scope of this Policy is limited to information collected or received by Listrik Dinamis Lab through your use of the Service. Listrik Dinamis Lab is not responsible for the actions of

third parties, the content of their sites/apps/games, the use of information that you provide to them,

and any other services or products they may offer. Any link to those sites does not constitute our affiliation with the third parties.

By using the Service, you are expressing your agreement to this policy and the processing of your

data, including your personal information as described in the policy. Should you have a disagreement with our policy, please do not use the Service. You can contact us for concerns and

questions regarding this policy via email at: mohammatari@gmail.com

Information Collection and Use

Listrik Dinamis Lab primary goals in collecting and using information is to create your account, provide

the Services to you, improve the Service, contact you, and to create reports for internal use. We

store the information on our servers that are located in Singapore.

Game Data Collection

Whenever you play our games, we may collect data about all of your interactions with the game

and with other players inside the game via server log files. This information may be associated with

your player ID, IP address, or device ID for the purpose of providing you our Services and improving them.

Tracking Technologies

We and our marketing and outsourcing partners, affiliates, or analytics service providers use technologies such as cookies, beacons, scripts, and tags to identify a user computer/device and to

remember things about your visit, such as your preferences or a user name and password.

Information contained in a cookie may be linked to your personal information, such as your user ID,

for purposes such as improving the quality of our Services, tailoring recommendations to your

interests, and making the Services easier to use. You can disable cookies at any time, although

you may not be able to access or use some features of the Service.

We may feature advertisements served by third parties that deliver cookies to your computer/device so the content you access and advertisements you see can be tracked.

Since the

third party advertising companies associate your computer/device with a number, they will be able

to recognize your computer/device each time they send you an advertisement. These advertisers

may use information about your visits to our Services and third party sites and applications in order to measure advertisements performance and to provide advertisements about goods and services of interest to you. This Policy does not apply to, and we are not responsible for the data collection practices of these third party advertisers, and we encourage you to check their privacy policies to learn more about their use of cookies and other technology.

Mobile Analytics

We use mobile analytics software to allow us to better understand the functionality of our Mobile

Application on your device. This software may record information such as how often you use the

application, the events that occur within the application, aggregated usage, performance data, and

where the application was downloaded from. We do not link the information we store within the

analytics software to any personal information you submit within the mobile application.

Third Party Services

Our Services may contain third party tracking tools from our service providers, example of which

include Google Analytics and Firebase. Such third parties may use cookies, APIs, and SDKs in our

Services to enable them to collect and analyze user information on our behalf. The third parties may have access to information such as your device identifier, MAC address, IMEI, locale (specific

location where a given language is spoken), geo-location information, and IP address for the purpose of providing their services under their respective privacy policies. Our privacy policy does

not cover the use of tracking tools from third parties. We do not have access or control over these

third parties.

Ad Networks

We may feature advertising within our Service. The advertisers may collect and use information

about you, such as your Service session activity, device identifier, MAC address, IMEI, geo-location

information, and IP address. They may use this information to provide advertisements of interest to

you.

In addition, you may see our games advertised in other services. After clicking on one of these

advertisements and installing our game, you will become a user of our Service. In order to verify

the installs, a device identifier may be shared with the advertiser.

How We Use Information:

We use information collected through our Service for purposes described in this policy or disclosed

to you in connection with our Service. For example, we may use your information to:

Create game accounts and allow users to play our games; Understand your preferences to enhance

your experience and enjoyment of using our Service; Respond to your comments and questions

and provide customer service; Provide and deliver products and services you request;

Disclosure of Your Information

Listrik Dinamis Lab does not share your personal information except as approved by you or as

described below:

With your consent, for example, when you agree to our sharing your information with other third

parties for their own marketing purposes subject to their separate privacy policies. If you no longer wish us to allow us to share your information with third parties, please contact us at mohammatari@gmail.com. We may release your information as permitted by law, such as to comply with a subpoena, or when we believe that release is appropriate to comply with the law; investigate fraud, respond to a government request, enforce or apply our rights; or protect the rights, property, or safety of us or our users, or others. This includes exchanging information with other companies and organizations for fraud protection. Listrik Dinamis Lab may share your information in connection with any merger, sale of our assets, or a financing or acquisition of all or a portion of our business to another company. You will be notified via email and/or notice on our site of any change in ownership or users of your personal information. We may share aggregate or anonymous information about you with advertisers, publishers, business partners, sponsors, and other third parties.

Changes to the Policy

We may update this privacy policy to reflect changes to our information practices. We encourage

you to periodically review this page for the latest information on our privacy practices.

Security

Listrik Dinamis Lab takes reasonable measures to protect your information from unauthorized access

or against loss, misuses, or alteration by third parties. Although we make good faith efforts to store

the information collected on the Service in a secure operating environment that is not available to

the public, we cannot guarantee the absolute security of that information during its transmission or its storage on our systems. Further, while we attempt to ensure the integrity and security of our network and systems, we cannot guarantee that our security measures will prevent third party hackers from illegally obtaining access to this information. We do not warrant or represent that your information will be protected against, loss, misuses, or alteration by third parties. No method of transmission over the internet, or method of electronic storage, is 100% secure, however.

Therefore, we cannot guarantee
