

FAQs for Independence Day 2026 Trip

1. How did the trip come about?

The Arcadia High School Marching Band was invited to participate in two parades to help celebrate America's 250th birthday in Philadelphia and Washington D.C. While it is uncommon for the band to be involved in any official parades during summer months, this is a once-in-a-life opportunity for our students to be celebrate and be a part of the semi-quincentennial Fourth of July celebrations in the birthplace of America. We hope to provide a trip that students and parents can look back with fond memories for years to come.

2. Who will be attending this trip?

All marching band and color guard students from the Class of 2026, 2027, 2028, 2029 and 2030 (current 8th graders) are invited to join.

3. How will the 8th graders be learning the music and marching?

8th graders (Class of 2030) who sign up for the trip will have an earlier start than previous years to rehearse with our current high school members, and have the opportunity to learn high school level music and parade routines. We will start working with 8th graders in January, and have monthly rehearsals coming up to the parade. A more detailed rehearsal schedule will be provided and sent to students in the upcoming future.

4. What are the start and end dates for this trip?

The trip is from Thursday, July 2, 2026 to Monday, July 6, 2026. See a link to the day-by-day itinerary of events.

5. How often does the Marching Band & Color Guard have these out-of-state trips?

We usually have one big trip every four years. A few recent trips included a Thanksgiving parade in Chicago in 2023, Outback Bowl in Tampa Florida in 2019, Pearl Harbor Memorial ceremony in Hawaii in 2015, and the Presidential Inaugural parade in Washington D.C. in 2005. These trips are an opportunity for our band and color guard students to shine at a big stage with a fun trip during their four years at Arcadia High School. These trips usually involve a lot of planning and can be expensive. We feel that attending one major event once every four years is a good balance between managing costs and an opportunity to have a unique experience.

6. What if my child plans on enrolling in summer school?

If your child plans on signing up for an in-person summer class with AEF, they will miss up to two days of school (Thursday, 7/2 and Monday, 7/6) depending on the flight and class schedule. (Friday, 7/3 is a school holiday.) Usually, teachers will be able to accommodate make-up work if a student misses class due to school activities. If your child plans on taking summer school outside of AEF, please work with your child's teacher on a workable solution as soon as you can.

7. What activities will the students be doing outside of the parades?

Students will get to explore Philadelphia's historic district, and visit National Air & Space Museum, U.S. Capitol Building, National 9/11 Pentagon Memorial, and Arlington National Cemetery in Washington D.C.
