

## Student-Led Conference Page

1. *Introduction:* hello welcome to this conference mis Bright this is my teacher mr b#2 this is mis Bright hope you enjoy this conference. let's get started.

<b>My Learning</b>	
<b>In Reading...</b>	
<i>I am good at these things...</i>	<i>These things are challenging to me...</i>
<i>I'm pretty good at reading i'm on a sixth grade reading level i'm good at using expression but i think i still need a little bit more work on it.</i>	<i>Sometimes I skip a line or get mixed up on when I read and the last thing is sometimes I don't understand what i'm reading and i sometimes read the same line more than once (but not meaning to)</i>
<b>In VA Studies...</b>	
<i>I am good at these things...</i>	<i>These things are challenging to me...</i>
<i>I'm ok at va studies and I really enjoy doing it And i also like learning the history of va and how much different the people that lived in va before us.</i>	<i>I have a hard time getting to remember because there is so much about va that we have to learn but i eventually get use to it and i'm getting better at remembering.</i>
<b>In Math...</b>	
<i>I am good at these things...</i>	<i>These things are challenging to me...</i>
<i>My favorite subject is math and i'm really good at it too i've mastered all of my multiplication facts.</i>	<i>I'm having a bit of a hard time on my long division but I met with Mr.B and now that is no problem at all.</i>
<b>In Science...</b>	
<i>I am good at these things...</i>	<i>These things are challenging to me...</i>
<i>I am doing really good in natural resources and the earth. Every year I get the hang of learning about the earth and</i>	<i>one thing is knowing how long it takes for the earth to spin all the way around.</i>

<i>natural resources. Including this year .</i>	
<b><i>In Writing...</i></b>	
<i>I am good at these things...</i>	<i>These things are challenging to me...</i>
<i>i'm really good at using details and being creative.</i>	<i>making my stories and writing longer and making my writing neater</i>

<b><i>My Behavior</i></b>	
<i>Things I always do well...</i>	<i>Things I need to improve...</i>
i like to help other classmates during class and when they need help or if nobody is responding and helping that person.	i need to improve shouting out and staying on task the whole time.

<b><i>My Goal</i></b>	
<i>A goal for learning...</i>	<i>A goal for behavior...</i>
to know everything i need to know at the end of the year and not forget.	Is to not shout out and stay on task the whole time.

<b><i>Other Things I Would Like to Share</i></b>
i have mastered my multiplication and i'm trying my best on my division.

*Closing: well thank you for coming to this conference and mis bright. do you have any question for me or mr.b*
