Parents' Guide to PowerSchool Forms

Please complete the forms in PowerSchool within two weeks of school starting. If you have any problems submitting, or do not have access to the internet, please contact Jeanne Pope, jpope@sheltonbulldogs.org, or Maritza Bernal mbernal@sheltonbulldogs.org or call the school at 308-647-5459 to schedule an appointment with Mrs. Pope or Maritza. You will not have to fill out paper registration forms anymore!

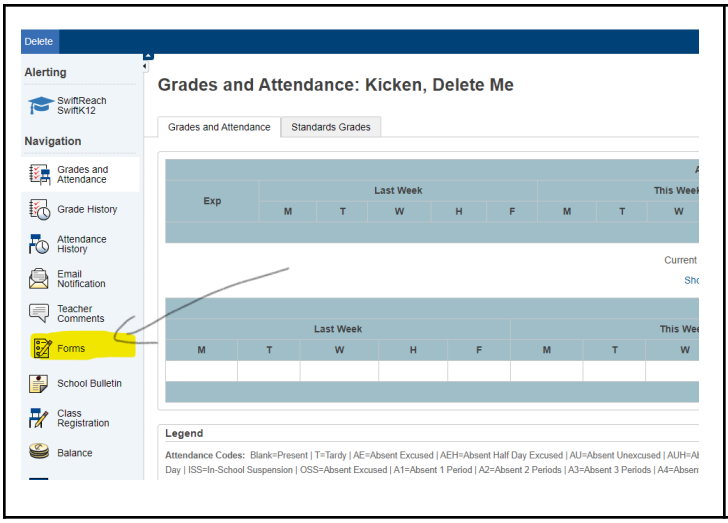

Ecollect Forms is a data collection system integrated into PowerSchool. We have implemented Ecollect to share forms with you. All forms will be shared with you via the Parent Portal in PowerSchool. You will see a "Forms" link on the left-hand navigation bar. Use this link to access any forms shared with you. Forms submitted by you are automatically accessible to school staff via their PowerSchool portal.

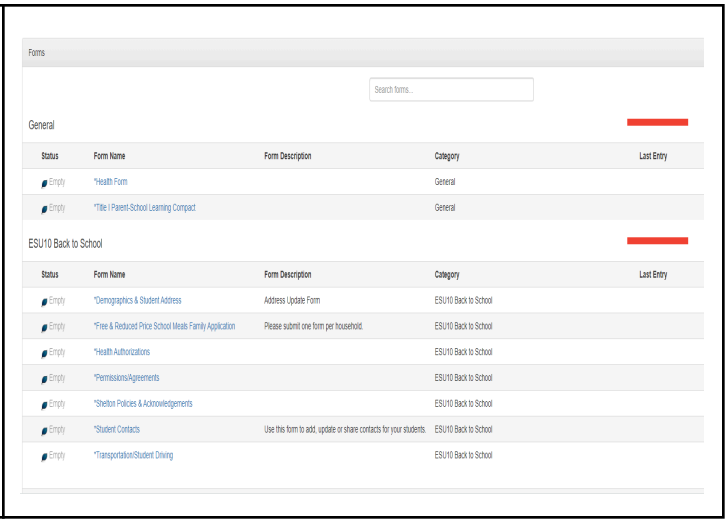

First Step:

Login to your PowerSchool Parent Portal https://powerschool.sheltonbulldogs.com/public/home.html . If you don't know your powerschool parent user/password login info, please contact Mrs. Pope, or you can follow the directions at this link https://bit.ly/3cEzdDK to reset your username and password.

Second Step:

Click on the "Forms" link on the left-hand navigation bar. Links for each form will come up, click on the link for the first form. You should have links to nine (9) forms to complete.

Third Step:

SUBMITTING A FORM Once the form is filled out, press the Submit button at the bottom of the page. Your form will be submitted and reloaded. If the form submission was successful, a pop-up window will open thanking you for the submission. Click "ok" and you will automatically be taken to the next form.

As we roll out this new registration process, there may be some technical glitches. If you get an error message on any form, please just go on to the next form. We will get the technical errors fixed and let you know to retry that form again. Thank you for your patience!

Here is a YouTube video explaining the Parent Portal and PowerSchool Forms.
