

SCNXC

SCN Invitational Parent and Athlete Information

General Meet Information

1. Athlete arrival: 7:30 AM

- Athletes who are in the car with parent volunteers will be able to park on site.
- Athletes whose parents cannot volunteer can be dropped off at the Nature Center turn-round circle. No parking for individual athletes.
- Parents who are not volunteering, please see the information linked above for shuttle bus information.
- The Kane County Forest Preserve Police have put an emphasis on no traffic on “race road” during the event, so once you are in, plan on being in for the duration of the event. If you (or your athlete) cannot be at the meet for the duration of the event it is best to communicate that with coaches ahead of time.
- Concession stand donations can be dropped off with athletes at the nature center on Saturday morning.

2. Volunteer General Information

- Parking will be in the barn lot. When that is full, there is additional parking if you follow the road to the left (after the barn lot)
- PARKING AND VOLUNTEER ASSIGNMENTS LIST ON NEXT PAGE
- Please do not park in the reserved spots that are held for disabled/elderly parking and please do not park on the grass anywhere.
- CONCESSIONS VOLUNTEERS: please arrive at 7:30.
- MARSHAL VOLUNTEERS: there will be a marshal meeting at 8:00 AM near the concession stand.
- All parents should be able to see their athletes compete. Marshals are already on the course (and there should be extra people at each spot to allow for flexibility). Concessions: we have a variety of people scheduled, so for any given race parents can leave the stand to watch their athlete.

3. Post meet

- All athletes hang around just like a normal meet.
- After final team meetings, we need to be sure that all equipment is loaded on the box truck.
- We want the majority of this day to be a normal meet day for you. Afterwards we need a little help. JUNIORS AND SENIORS: Please come to school to help offload the box truck and put items away. Some equipment needs to be returned to Coach Harrington’s house and cleaned up. Any help is appreciated!

4. Friday afternoon

- Any athlete who is available to help set up the course on Friday afternoon, please meet at the Nature Center after school (3:00 ish)

Volunteer List

This is the volunteer list for parking. If you are not on here and would like to volunteer, please email Coach Harrington (Kevin.Harrington@d303) as soon as possible.
