SEPTA Tripper Information: MaST Byberry

Students at MaST in grades 9-12 who live more than 1.6 miles from school will receive a SEPTA Fare Card. SEPTA provides MaST with some routes (14, 20, 67) that come directly into our parking lot. Per SEPTA rules and regulations these are not guaranteed. Please ensure that your child is familiar with alternative SEPTA routes to get to school as the Fare Card is good on all buses on school days. SEPTA runs daily so missing your normal route is not an excuse for being absent.

Please check on SEPTA.org for more information

Route 14

The Route 14 trippers will leave the Frankford terminal at 6:27 am each school morning. The Tripper will make all regular Route 14 bus stops between Frankford terminal and Comly Road and Roosevelt Blvd. After the stop at Comly Road and Roosevelt Blvd., the bus will proceed directly to the school. The tripper may or may not have a MaST sign in the window; therefore, you must ask the driver if the bus is a tripper for our school. You must be at your stop in plenty of time, as SEPTA trippers do not wait like yellow school buses and have, at times, left before the scheduled departure time.
