IMPT Scientific Congress 2025

The IMPT Conference is run nationally every 2 years and is organised by a local team. Due to the pandemic, timings of the conference have been disrupted and we welcome the delegates to reunite after several years of reduced events.

Now in its 62nd year, the event has grown and despite being held over only 2 days, Thursday 25th and Friday 26th September, it is a full schedule offering delegates 15 hours of CPD. The Conference and Exhibition will be held at the Bristol Marriot Royal Hotel in the heart of Bristol city centre.

As usual, the conference programme has a line-up of expert speakers and content will have a universal appeal to attract delegates from across the UK and Internationally. We hope you will join us on the final evening for a black-tie evening dinner and drinks reception held at the iconic Bristol Aerospace under the stunning Concorde.
