Ananya L.

Tutor
San Antonio Math Include

Ananya is part of the Class of 2022 at Basis San Antonio Shavano. She's been playing piano since she was four and a half, and plays basketball for BASIS. Although math is usually one of the easier subjects for her, there are many times when she wishes she had a tutor to help her with the subject; as a result, she joined SaMi so that others don't have to face this problem. Ananya aspires to help individuals succeed in math, acting as someone who kids can turn to for guidance and encouragement to continue to work for their goal.
