

~ HALLOWEEN OUTFIT CONTEST ~

CONTEST DESCRIPTION

Unleash your creativity to craft an awesome Halloween spooky outfit using any type of clothing pieces or body tattoos. The outfits will be judged based on originality, complexity, and overall a good combination of colors and clothing pieces. We can't wait to see what you guys will come up with! The event will be hosted on Sunday 29th of October at 6 pm CEST on the EU servers in the social district. Presented by: Angelari, Chizer, and Huuko on Twitch under the APB: Reloaded section in my channel -> [ttv/angelari](https://www.twitch.tv/angelari).

PRIZES

And of course, the best outfits will be highly rewarded!

- **1ST** - 6 million + Ursus + New Glory
- **2ND** - 4 million + Nano + Thumper
- **3RD** - 2 million + True Ogre

These are the current rewards, but if the community decides to donate either legends/APB cash, we will make sure to add them to the prize pool. Special thanks to our legendary weapons donors: Huuko, Sentirai, and DFLT.

WHO CAN PARTICIPATE?

Sadly, the rewards are currently only available on PC. If you are an Xbox player, you can still join and submit your outfit. It will be displayed among the rest of the costumes but will not proceed to the voting phase.

Since the event will be hosted on the EU servers, if you are an NA player, you can create your outfit on NA and then ensure to attach the name of the EU character to which you would like your rewards sent.

SIGN UP!

Interested in joining the contest? Fantastic! To sign up, add me on Discord; my username is "angelari." Send me a message containing the following information:

- APB player participating in the HALLOWEEN contest
- APB character name you will create your costume on. In the case the outfit is made on the NA servers, please include both character names: the one the outfit is made in and the EU character name where the rewards should be sent.

The last day for sign-ups will be the 26th of October at 11 pm CEST, three days before the event.

DELIVERIES

Once you've finished crafting your spooky outfit, here's what you should do. Send me a Discord private message with the following files:

- Four different screenshots of your outfit from various angles. Ensure the quality is sufficient to display all the hard work and intricate details.
- Screenshots showcasing the creator of all non-Armas items, serving as proof of your authorship.

The final date to submit your outfit will be the 27th of October at 11 pm CEST, two days before the event.

RULES

- Your outfit should be made from the character you had originally applied with. Any outfit that contains pieces made externally will be disqualified.
- Any outfit that contains inappropriate symbols or an inappropriate theme will be immediately disqualified. The participants shall not break the game TOS in the making of the outfit.
- Collaboration outfits are not allowed, but you can have matching outfits with another participant.

~THE DAY OF THE EVENT ~

JUDGING CRITERIA

To ensure diverse perspectives, we have selected three different judges. Judges Chizer and Angelari are both experienced APB designers who can appreciate the effort invested in each detail, the outfit's originality, and the execution of all the pieces as a cohesive whole. Additionally, Huuko, as an inexperienced designer, offers a fresh perspective on outfit evaluation.

Moreover, the audience will play a vital role in the event's voting process. To participate in the voting, you must have a Twitch account and engage in the stream (ttv/angelari).

While it is ideal for all participants to be present in the social district during the event's live stream, we understand that this might not always be possible. To accommodate this, all contestants' outfits will be showcased throughout the stream. If the participant is in the game, we will display their outfits in detail by walking around them. If a contestant is unable to join the social district on the event day, we will display the 4 screenshots they provided in their submission. Additionally, we will offer a link to a driver folder, allowing viewers of the stream to access all the content.

HOW WILL THE VOTES BE COUNTED?

Initially, the judges' votes will be tallied. Each judge will have three sets of points: 5, 3, and 1 point, with one set allowed per character. Additionally, each judge can grant an extra 4 points, allocating 2 points for originality and 2 points for complexity. These points can be assigned to any contestant, regardless of whether they received votes from the judge previously. The judges can also award both extra sets of points to the same contestant.

Subsequently, the audience will have the opportunity to voice their preferences. Through the Twitch chat, each viewer can vote for their favorite outfit. Following the completion of the voting process, the top three highest-voted outfits will receive 5, 3, and 1 points, respectively.

In the event of a tie, we will proceed to phase 2. Each judge will have the option to award an additional 1 point to their preferred outfit. Subsequently, the audience will vote again, and the outfit with the most votes will receive an extra 1 point. In the event of a third tie, the ultimate decision will be left to the audience to determine the winner.

HOW WILL THE REWARDS BE GIVEN?

After the winners have been revealed they could approach my character in game and I would trade them the rewards. If they are not in the district, I will personally message them in discord and try to find a day when I can trade them their reward.

On top of this, I will post myself the winner in multiple platforms, such as some APB related discords. It is important to acknowledge the effort put into this event.

WHAT IS THE GOAL OF ALL OF THIS?

Well, we know APB is going through some hard times at the moment...so it might be nice to bring up some spark and encourage creativity among players. Bringing the community together is quite a tough task, but it is never too late to try :)

Besides...IT'S HALLOWEEN!! wouldn't it be awesome to have everyone walking around with spooky outfits in San Paro? We think so...As judges, we will also be working on our own Halloween outfit.

WILL THERE BE ANY GMS?

The request of a GM has been sent...we hope they will be available.
