

EMERGENCY MEDICAL TECHNICIAN ACADEMY

DUAL CREDIT HIGH SCHOOL ACADEMY

CVTC and local high schools have partnered to offer incoming high school **juniors and seniors** who are interested in exploring the **Emergency Medical Technician Academy** opportunity to earn high school and college credit. Dual credit academies give high school students a chance to navigate their interests and career options to develop the most successful individualized career path. Credits successfully earned through this academy may be applied to CVTC's technical degree programs and transfer to other universities.

****This academy will only be approved for MHS students during the school year when it's at the Menomonee site, possibly in an alternating year format. However, this academy is offered during the Summers at other locations and may be approved for qualified students.***

Course Title	Course Dates	Times	Days
