

Be Boldly Bountiful!

WE HAVE HIT A MILESTONE ! WE ARE OVER HALFWAY TO OUR \$1.3M GOAL!

Over the summer 61 people in church leadership roles made gifts to our Capital Campaign. The generous gifts of our leaders raised over \$669,205.

Now it's up to the rest of us. We need a commitment from each of our members and friends to reach our \$1.3M goal!

Think about what our church means to you and your family. Is our Immigration ministry important to you? Do you believe in our message and mission? Did our presence on Main Street impact your decision to walk in our doors?

If you have not yet made a commitment, I encourage you to prayerfully consider doing so. September is the last month of our campaign, and your commitment reflects your gratitude for this church.

Need to know more? Contact Gretchen Smith, Capital Campaign Chair. Gns.070355@gmail.com

Let's celebrate that we've come this far and know that your commitment is a gift toward our longevity and future!

Be Boldly Bountiful!

WE HAVE HIT A MILESTONE ! WE ARE OVER HALFWAY TO OUR \$1.3M GOAL!

Over the summer 61 families have made gifts to our Capital Campaign. Our church leadership as well as other enthusiastic members and friends have already raised over \$669,205.

Now it's up to the rest of us. We need a commitment from each of our members and friends to reach our \$1.3M goal!

Think about what our church means to you and your family. Think of our building, our sacred space, and of all the people who come there to work together and to worship. Is our Immigration ministry important to you? Do you believe in our message and mission? Did our presence on Main Street impact your decision to walk in our doors?

If you have not yet made a commitment, I encourage you to prayerfully consider doing so. September is the last month of our active campaign, and your commitment reflects your gratitude for this church.
