of the week! 😊

EBI RAMEN

113 Flynn St, London, W3

New example ladies and gents.

Fellow student sent this in:

This is a post for local ramen restaurant, for instagram. How would you judge it from marketing side Gs? Caption will play a big role, I will put there some CTA, It's not an offer it's just promo of this dish.

Translation of the post:

Ramen= Comfort in a bowl

Ebi Ramen

Aromatic, warm broth with additives that will warm you from the inside.
