

**Em7** **A6** **A7**  
 Who needs friends who never show?  
**F#m** **Bsus4** **Bm**  
 I'll tell you what you want to know  
**Em7** **A6** **A7**  
 I could have saved a broken heart  
**F#m** **Bsus4** **Bm**  
 If I'd found out long ago.  
**Em7** **A6** **A7**  
 I'm just thinking about those lonely nights  
**F#m** **Bsus4** **Bm**  
 When I waited for your call  
**Em7** **A6** **A7**  
 till I found out all my friends were right-  
**F#m** **Bsus4** **Bm**  
 I didn't know you at all

### [CHORUS]

**Em7**  
 I HEARD A RUMOUR  
**A6** **A7**  
 OOH, OOH, I HEARD A RUMOUR  
**F#m**  
 THEY SAY YOU GOT A BROKEN HEART  
**Bm** **Em7**  
 I HEARD IT, I HEARD A RUMOUR (OOH, OOH, I HEARD A RUMOUR)  
**A6** **A7** **F#m** **Bsus4** **Bm**  
 YES, I DID BOY, OOH, OOH, OOH

Now it seems they're telling me  
 You've changed your wicked ways  
 But should I give you a second chance?  
 Baby, I'm too afraid.  
 So you realize what hurt you made  
 and the love you threw away.  
 How can I forgive or soon forget?  
 It's never gonna be the same!

### [CHORUS] x 2

### [PUENTE]

**Gm9** **Csus4** **C7**  
**Am7** **Dsus4** **D**  
**Em7** **A6** **A7**  
**F#m** **Bsus4** **Bm**

I'm just thinkin about those lonely nights...
