

Developmental League

A six- week program for \$129 offered at Airways and Riverside Golf Course

The Developmental League is designed to offer a progression through our programming from Golf and Life Skills Classes, to playing on the course and eventually being able to compete in the Tournament League! This session, we are using a measurable system to track your child's progress on the golf course.

Our system is modeled after a Par 36 concept for 9 holes but we will be using a 3 hole model due to time constraints. Each child will begin at Tee Box 1 and have the opportunity to progress up to Tee Box 5 by the end of the session. Players will begin by teeing off from 25 yards to the hole in week #1. Participants who shoot a score of 12 or better (even par for 3 holes) will progress to Tee Box 2 and play from 50 yards. If the player shoots 12 or better from 50 yards, they will progress to Tee Box 3 and so on.

If they do not reach par during the class, they will stay at the same tee box the following week until par is reached. If they do not finish 3 holes due to time constraints, their par will be adjusted to reflect the number of holes completed that week. Any extra holes above 3 that are completed will just be practice.

EXAMPLE	Child #1	Child #2	Child #3
Week #1	Tee Box 1	Tee Box 1	Tee Box 1

	25 yards - shoots 12	25 yards - shoots 20	25 yards - shoots 25
Week #2	Move to Tee Box 2 50 yards - shoots 20	Repeat Tee Box 1 25 yards - shoots 18	Repeat Tee Box 1 25 yards - shoots 20
Week #3	Repeat Tee Box 2 50 yards - shoots 12	Repeat Tee Box 1 25 yards - shoots 11	Repeat Tee Box 1 25 yards - shoots 22
Week #4	Move to Tee Box 3 100 yards - shoots 21	Move to Tee Box 2 50 yards - shoots 12	Repeat Tee Box 1 25 yards- shoots 12
Week #5	Repeat Tee Box 3 100 yards - shoots 11	Move to Tee Box 3 100 yards - shoots 20	Move to Tee Box 2 50 yards - shoots 20
Week #6	Move to Tee Box 4 150 yards- shoots 20	Repeat Tee Box 3 100 yards - shoots 20	Repeat Tee Box 2 50 yards - shoots 18

This system offers a measurable way to track your child's progress and prepare them for full-length courses without becoming discouraged. Any player who shoots under par during any class session will jump one tee box. This ensures everyone will be adequately challenged throughout the 6-week session. Each child will be able to pick their goal tee box for the session at the beginning of the six weeks.

In addition to learning to keep score, kids will be taught rules, etiquette and course management to prepare for competitive golf. We are excited to have your child with us in the Developmental League and cannot wait to see their improvement on the course!

How to qualify for Developmental League:

-Must be currently enrolled in a Golf and Life Skills class at First Tee - Fresno in addition to enrolling in a Developmental League class within the same session.

-Must be 9-17 years of age.

-Child must have an interest in playing competitive golf, a desire to improve past their current skill level, and be willing to work towards establishing a handicap.

-This class is designed for participants who are working towards making golf their primary sport and are willing to make the time commitment.

-Must sign up for Youth on Course through Riverside Golf Course.
