GES is our official partner for Logistics

Here is a link to the Exhibitor Online Shop where you can book logistics: [Expresso by GES](#).

What do you get from GES?

- Shipping and delivery to stand
- Storage of empty packaging materials
- Reload of items and delivery back to your premises
- Pre-event and post-event advanced warehouse storage
- Inbound and outbound courier receiving service
- International customs clearance

Why hire logistics?

When planning for an event, you need something to get your freight from A to B – GES logistics services do exactly that, seamlessly. Whether you're looking for a simple door-to-door shipping service for your stand items, or need a solution for a more complex challenge, the GES logistics experts are here to manage all your transport and logistics requirements for your next event or tradeshow.

They'll make sure your items get from you to your stand in one piece and on time at a great, budget-friendly price. You can also rest easy knowing that your items will make it safely back to your premises too.

Help & Advice

Download this [Exhibitions Logistics Guide](#) by GES to help with transporting your goods to the show.

Terms & Conditions

- Normal working hours are Monday to Friday 0800 – 1800hrs, anything outside of these times will be subject to a 50% overtime increase.
- Work is undertaken subject to our General Trading Conditions. A copy is available upon written request.
- Rates exclude (unless otherwise stated): Insurance, Overtime / Weekend Increase, VAT, Additional onsite services including positioning / lifting on stand, hire of labour, unpacking / packing, crane hire, forklifts greater than 3t capacity.
- GES are not responsible for any goods left unattended on stands.
- If you have requested a quote for transport, our project managers will provide you with a tailored quotation based on the details you have provided. Please ensure your goods are suitably wrapped, labelled and secured for transit. GES will check through all orders submitted prior to processing payments to ensure all services have been ordered correctly.
- Please note all shipments will be measured onsite to ensure billing has been charged correctly based on the volume submitted by yourselves.
