Dear Families,

Your student is taking an Advanced Placement (AP) course at Deering High School. These classes offer students experience in college-level courses and an opportunity to gain college credits while still in high school. The College Board runs the Advanced Placement program which you can learn more about at <https://www.collegeboard.org/> .

To get the full experience of what it means to engage in a rigorous, college-level class, Deering encourages students who take AP courses to take the AP exam or its equivalent. This may take the form of taking the exam itself, taking a CLEP exam in the same subject, or taking a released AP exam as a final at the end of the course. If you have any questions about the courses, fees or anything else, I'd love to hear from you.

Thank You,

Ryan Hutchins

Chères Familles,

Votre élève suit un cours Advanced Placement (AP) à Deering High School. Ces cours offrent aux étudiants une expérience dans des cours de niveau collégial et une opportunité d'obtenir des crédits collégiaux tout en restant au lycée. Le College Board gère le programme Advanced Placement sur lequel vous pouvez en savoir plus sur <https://www.collegeboard.org/>.

Pour obtenir l'expérience complète de ce que signifie s'engager dans une classe rigoureuse de niveau collégial, Deering encourage les étudiants qui suivent des cours AP à passer l'examen AP ou son équivalent. Cela peut prendre la forme de passer l'examen lui-même, de passer un examen CLEP dans la même matière ou de passer un examen AP publié en tant que finale à la fin du cours. Si vous avez des questions sur les cours, les frais ou toute autre chose, j'aimerais avoir de vos nouvelles.

Merci,

Ryan Hutchins

Queridas familias,

Su estudiante está tomando un curso de Colocación Avanzada (AP) en Deering High School. Estas clases ofrecen a los estudiantes experiencia en cursos de nivel universitario y la oportunidad de obtener créditos universitarios mientras aún están en la escuela secundaria. El College Board ejecuta el programa de Colocación Avanzada sobre el que puede obtener más información en <https://www.collegeboard.org/> .

Para obtener la experiencia completa de lo que significa participar en una clase rigurosa de nivel universitario, Deering alienta a los estudiantes que toman cursos AP a tomar el examen AP o su equivalente. Esto puede tomar la forma de tomar el examen en sí mismo, tomar un examen CLEP en la misma materia o tomar un examen AP publicado como final al final del curso. Si tiene alguna pregunta sobre los cursos, tarifas o cualquier otra cosa , Me encantaría saber de usted.

Gracias,

Ryan Hutchins

Queridas famílias,

Seu aluno está fazendo um curso de Colocação Avançada (AP) na Deering High School. Essas aulas oferecem aos alunos experiência em cursos de nível universitário e uma oportunidade de obter créditos universitários enquanto ainda estão no ensino médio. O College Board administra o programa Advanced Placement, sobre o qual você pode saber mais em <https://www.collegeboard.org/>.

Para obter a experiência completa do que significa participar de uma aula rigorosa de nível universitário, a Deering incentiva os alunos que fazem cursos AP a fazer o exame AP ou equivalente. Isso pode ocorrer na forma de fazer o exame em si, fazer um exame CLEP no mesmo assunto ou fazer um exame AP liberado como final no final do curso. Se você tiver alguma dúvida sobre os cursos, taxas ou qualquer outra coisa, eu adoraria ouvir de você.

Obrigada,

Ryan Hutchins
