

Deanna Maio - Leadership Strategist

Full name: Deanna Maio

Name pronunciation: Dee-Ann-Ah May-Oh

Title: Executive Coach & Leadership Strategist

Name of Business: The Vivid Woman

Bio:

Deanna Maio has been empowering business owners and leaders for nearly two decades, starting as a leadership coach in 2005.

Now, she runs The Vivid Woman, helping women reclaim their time and build high-performing, profitable teams.

For 16 years, Deanna has transformed traditional leadership strategies, enabling significant growth and personal well-being for women business owners.

She also integrates her passion for music and performing arts into her coaching, creating an engaging approach to leadership excellence.

Popular topics I've spoken on in the past:

1. Time Boost! Free Up 4+ Hours of Your Week by Unlocking Your Team's True Productivity (Without Hiring More Staff or Being a Dictator)
2. Leverage Technology to Boost Team Productivity with The AI Advantage
3. Free Up Your Schedule and Double Profits with The Art of Delegation
4. How a Virtual Assistant can Save You Time and Make You More Money
5. From Setbacks to Comebacks: Constructive Feedback That Can Be Heard and Acted Upon

Questions I love to answer:

1. How do you integrate AI tools with leadership processes to enhance team performance?
2. What are some common misconceptions about building high-performing teams?
3. What are the most effective strategies for delegating tasks without micromanaging?
4. How can leaders effectively handle difficult conversations and improve team communication?
5. What advice do you have for leaders struggling with team management?

One thing I'm excited about right now:

I'm thrilled to introduce AI Delegator Pro, your new AI-powered sidekick for task delegation. This tool turns vague task descriptions into clear, actionable instructions, ensuring your team understands and executes perfectly.

With AI Delegator Pro you can transform your delegation process, saving you time and boosting team productivity. With lifetime access and your delegation instructions in 90 seconds or less, you'll walk away with a one step tool that will save you time, increase productivity, and boost your team engagement and ownership.
