(Lee' contact info: 256-508-9514 / lpcorax@gmail.com**)**

Begin on Hwy. 41A (road between Sewanee & Monteagle). Go to the blinking light at the entrance to St. Andrews-Sewanee School on Hwy. 41A (just east of Sewanee Campus entrance), and turn onto Hwy. 156 S (right if coming from Sewanee / left if coming from Monteagle). Continue less than a half mile to a stop sign, with Sewanee Airport dead ahead.

Turn left at the stop sign, and continue on Hwy 156 S at the fork, as it curves to the right, around the east end of the runway. Stay on 156 S for approx. 4-1/2 miles. As the road curves, there are delapidated farm buildings on the left. Soon after, there is a Marion County sign, and a fork to the left. Take that fork off Hwy 156 S & continue a short distance (approx. 0.2 mi.), until you see the Ravens Den Road sign on the left. At this point, there is a small building & gravel parking area on your right. Only a few feet beyond the Ravens Den sign, there is another road sign, and beyond that, a fire station on your left.

Follow Ravens Den Road until it makes a "T" (approx. 1-1/2 mi.). At this point there will be a McBee Road sign, which only refers to the section to the left. Keep right onto the Ravens Den Bluff Road, a short distance to our entrance drive (approx. 0.1 mile). We are the 2nd driveway on the left after the turn.

At our drive, there will be a large stone sign, which says "The Rookery," & a smaller sign that says "1895 Ravens Den Road." Pass thru the open gate & follow the drive down to our home. Where the drive forks, a right turn leads to a parking area. Continuing left leads to a drop-off point at our front walk.

***FYI:** For major events at our house, be aware that **parking is limited**.*
