

Rainbow scavenger hunt

Can you find all the colours of the rainbow in your back yard? (or maybe in the back and front yard?) If you are struggling to find the right colours in your yard you can look in your local area.

Something Red:

Something Orange:

Something Yellow:

Something Green:

Something Blue:

Something Purple:

Something Pink:

You can print this out and fill it in if you want but you do not have to.
Take a photo of the plant/flower/object.

Try not to go for something obvious like grass for green. Think outside the box - look at the colours of your rubbish bins, what colour is your house, your garden hose?

Most importantly - have fun!
