Shirley Cheong: Hello Familjen!

00:55:52.835,00:55:55.835

moe myint: I would rather say seeking independent media house in Myanmar is a pie in the sky. Although journalists can't stand on editorial policies, the situation is like they have to eat a live frog.

00:56:30.831,00:56:33.831

genesia alves: "eat a live frog" is a great expression!

00:56:47.179,00:56:50.179

Nai Naii: It is a sad reality, Moe! Cheer up for your sanity and inspiration.

00:58:37.088,00:58:40.088

Rishad Patel: I agree, Nai Naii and Moe. We should help you find a niche in the market for your journalism product that may help you make your own revenue.

00:59:24.542,00:59:27.542

Shirley Cheong: Sobering reality.. Power to you too, Moe Myint. Let us know how we can help too

00:59:29.062,00:59:32.062

Nai Naii: Yeah Rishad .. Moe is so good at conflict reporting, as well reporting on international laws, etc. A new flame from the young generation!

01:00:35.055,01:00:38.055

Shirley Cheong: We need to keep these these little flames going

01:01:43.045,01:01:46.045

Shirley Cheong: Hi Katarina

01:02:53.314,01:02:56.314

Nai Naii: If jobs of traditional media is dying down in this speed,
"What is the role of traditional media training institutes in these countries, especially if they cannot adapt and innovate the NEW normal?"

01:04:35.420,01:04:38.420

Shirley Cheong: Good question -- what is the job to be done for these training.. :)

01:07:16.469,01:07:19.469

Shirley Cheong: Share your thoughts, Nai Naii

01:08:11.108,01:08:14.108

You Y Ly: Hi everyone, I've got to run and do some errands. Sorry that I couldn't share much from our side, Cambodia. Have a nice day!

01:08:20.455,01:08:23.455

tessa piper: Maybe it already exists, but would it be useful if Splice set up a freelance journalists' database that other media could access?

01:08:23.412,01:08:26.412

Shirley Cheong: Thanks for coming, You Y!

01:09:31.934,01:09:34.934

01:09:53.677,01:09:56.677

01:11:16.353,01:11:19.353

Shirley Cheong: Can't say too much for now... :)

01:11:25.632,01:11:28.632

tessa piper: That's exciting to hear!

01:11:50.337,01:11:53.337
