GENERAL ASSEMBLY 4,

Referring to the 17 territories that are currently placed under the category of non-self-governing territories (NSGT),

Bearing in mind Australia's 2019 financial aid to Tokelau in order to provide the necessary resources to encourage self-determination,

1. **Urges** the implementation of effective systems in charge of dissemination of decolonization within NSGTs in ways such as but not limited to:
 - a. the diffusion and creation of accessible programs with information on decolonization that promotes self-determination in ways such as but limited to:
 - i. utilizing local authorities for dissemination of information
 - ii. putting programs about the dissemination of the decolonization in the most accessible period such as but not limited to dinner times
 - iii. accessible physical mediums of information such as pamphlets
 - iv. encouraging to raise the number of advertisements upon as many as possible
 - b. ensuring a fair and civil system in ways such as but not limited to:
 - i. holding referendums to choose representatives who are experts in this topic
 - ii. giving equal opportunities in order to ensure fair representation
 - c. working towards eradicating colonial ideas embedded into systems in NSGTs
 - d. urging C-24 to strengthen the thoughts of decolonization to residents when they visit the Non-Self-Governing Territories annually;
