

2026 4-H Judging Assistant Sign Up

Responsibilities of Judges Assistants

- Check in at the 4-H office and pick up a name tag.
- Attend orientation (9:45 or 12:45). Report to your station on time.
- Check the judge's box in your project area for supplies and ribbons. If you run out, borrow from another project area or come to the 4-H office.
- Introduce yourself to the judge. Offer them water.
- Remain on duty throughout your shift – do not leave the judge alone. If you must leave, make sure someone else is covering your station.
- You are expected to leave the building at 4:00 p.m. (when judging is complete).

The judge will –

- Have Call sheets and circle the ribbon placing for each exhibit. They will tell you the ribbon placing and you will check it on the card and put on the ribbon placing sticker.

The judge's assistants will –

- Double check the exhibit card (name, correct project area, item number, etc.)
- After the judge has made a ribbon placing, put an X after Blue, Red or White on the exhibitor's card. Then put the ribbon placing sticker on the exhibit card. Do not cover up the member's name or the item number.
- Attach the card, with ribbon sticker, to the exhibit using tape, pins or paper clips. BE CAREFUL NOT TO DAMAGE THE EXHIBIT.
- Take the exhibit to the appropriate display area. Be sure to keep project area exhibits together, by class if possible. (Do not worry about making an attractive display – clubs will come in to arrange projects on Tuesday evening.)

Thank you. Remember to smile and have fun!

Animal Judging

Area:	Date/Time that assistant needs to be there:	Name and Email/Cell Phone:
Dog Show	Saturday, July 25th 8:00-2:00 At the Greater Dog	Hunter Carlson Genis alexinterstate@gmail.com 651-347-7585
