

Erasmus+ 'Go Green'

ACTIVITY: WHAT DO WE KNOW ABOUT PLASTIC DISPOSAL?

What do we have to do?

Become aware of the waste that we create and that we can recycle. You should do a weekly count of the plastics we generate at home. You have a chart to help you.

We encourage you to take a picture such as the one below.

Erasmus+ 'Go Green'

CHART: INDIVIDUAL WEEKLY COUNT and PLASTIC CLASSIFICATION (QUANTITATIVE COUNT)

Day	Plastic type 1: Polyethylene Terephthalate (PETE)	Plastic type 2: High-Density Polyethylene (HDPE)	Plastic type 3: Polyvinyl Chloride (PVC - U)	Plastic type 4: Low-Density Polyethylene (LDPE)	Plastic type 5: Polypropylene (PP)	Plastic type 6: Polystyrene or Styrofoam (PS)	Other types of plastic	Total
							They don't belong to the other groups	
Day 1	10	3	3	5	1	1		23
Day 2	11	4	2	4	1	1		23
Day 3	10	4	3	4	2	1		24
Day 4	12	3	3	4	1	1		24
Day 5	11	5	4	5	1	3		29
Day 6	13	5	2	3	3	4		30
Day 7	10	3	3	3	3	4		29
TOTAL	77	27	20	28	12	15		189
