

Hello! I'm Patch. I've been drawing for about 9 years, and taking comms for 4. Please read my rules and guidelines thoroughly before deciding on commissioning me!

!!!!DISCLAIMER!!!! I only have Cashapp as a payment method!
Discord Nitro works too for smaller commissions :3

Unless you request otherwise, the art I draw for you will be posted to my social media during any stage, although cropped or otherwise edited. It will be posted once it's finished, unless you ask me not to first.

RULES:

1. **ABSOLUTELY NOTHING ILLEGAL.** If you even mention any of these subjects to me, you will immediately be blocked and potentially reported. This includes: Pedophilia, necrophilia, zoophilia. This is an incomplete list.
2. Please, be patient. I am doing my best, but I have a life outside art, and it gets in the way sometimes.
3. **YOU ARE NOT, UNDER ANY CIRCUMSTANCES, ALLOWED TO USE MY ART IN AI. YOU ARE NOT ALLOWED TO USE AI TO ANIMATE YOUR ART PIECE. IF YOU DO, YOU WILL IMMEDIATELY BE BLACKLISTED AND I WILL PUBLICLY SHAME YOU. I HAVE ZERO TOLERANCE AND WILL NOT BE NICE ABOUT IT. I WARNED YOU.**
4. No humans, please. I don't make exceptions. This isn't because I hate your human characters, but simply because I can't draw them. If you've read all of my rules, DM me with 🐾🐾🐾

While working on the sketch, you can ask for major changes, (expression, limb position, etc.) Once I get to line art, you can ask for minor changes (hairstyle, eye position/shape, etc). Once line art is complete, there are no more changes allowed without a 5% charge.

Definitions of 'simple' and 'complex': A 'simple' commission is a drawing of a character with 6 or less colors and/or simple markings. Example:

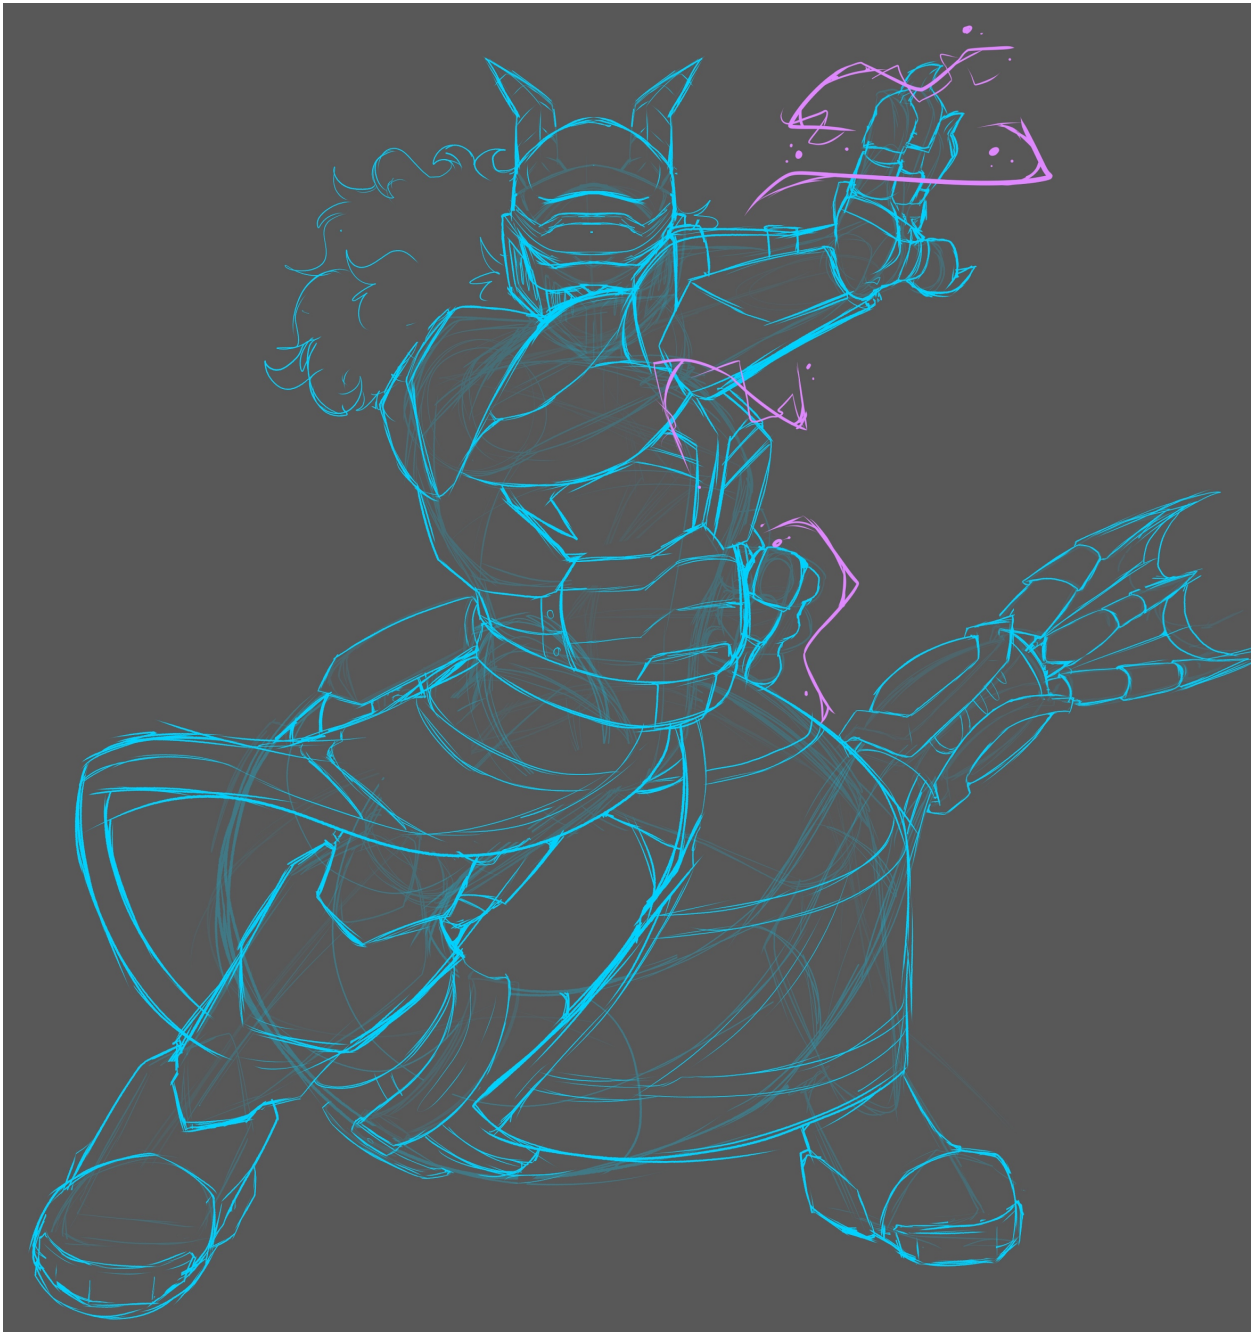

Meanwhile, a complex character has 7 or more colors and/or complicated markings. I will warn you beforehand if I believe your character is complex, and may add that charge.
