

CHORUS REGISTRATION FORM

To Sign-Up please use this QR Code and fill out the Google Form:

WELCOME TO CHORUS!!! Fourth through eighth grade students have the opportunity to join Hamburg School's chorus. New students who are registering for chorus will need to complete the google form using the QR code on this page. Once registered, students will automatically be enrolled in chorus each school year unless Ms. Vinkman is notified by the student's parent/guardian that they are no longer participating.

Learning to sing and singing in a choir takes hard work! Students are expected to practice assigned material at home on a regular basis. With practice at home and consistent rehearsal attendance, students will progress musically and will enjoy the benefits of participating in this group activity.

Students will be taken out of one class each week for rehearsals. Students **MUST** attend all scheduled rehearsals, unless a teacher has made arrangements in advance for a student to be excused from chorus.

The rotating rehearsal schedule will be emailed weekly to the email address on file with the school office. The schedule can also be viewed in the Chorus Google Classroom.

CONGRATULATIONS ON JOINING CHORUS!

If you have any questions, please contact Miss Vinkman - kvinkman@hamburgschool.com
