Clever

Clever supports the following operating systems and browsers:

- Devices
 - Microsoft Windows
 - MacOS
 - Chrome OS (Chromebooks)
- Browsers:
 - Chrome
 - Microsoft Edge
 - Mozilla Firefox

While many browsers are compatible with Clever, we recommend using the Chrome browser for an optimized experience.

Google Meet

Google Meet requires an operating system that can run the latest compatible web browsers.

Google Meet works with the current version of the browsers listed below:

- Chrome Browser. [Download the latest version](#)
- Mozilla Firefox. [Download the latest version](#)
- Microsoft Edge. [Download the latest version](#)
- Apple Safari.

Meet has limited support in Microsoft Internet Explorer 11, and Microsoft Edge provides a better Meet experience. If you want to use Internet Explorer for Meet, you need to download and install the latest version of the [Google Video Support plugin](#).

Tip: If your browser doesn't support Meet video meetings, you can dial in using the phone number and PIN, if provided by the meeting organizer.

Google Classroom

Google Classroom requires an operating system that can run the latest compatible web browsers. Google Classroom, along with Google Drive, Docs, Sheets, Slides, and Forms will work with the 2 most recent versions of the following browsers:

- Chrome Browser

- Mozilla Firefox
- Microsoft Edge
- Apple Safari

Other browsers may work, but you might not be able to use all of the features or have the same experience.

Infinite Campus

Campus Parent/Student Portal is accessible through the Internet on a computer, laptop, or smartphone by most web browsers (Internet Explorer 11, Chrome, Firefox, Edge, Safari 12).

You may also utilize the Campus Mobile Application through your Android or iOS device.
