

# CRUSADERS LIBERATION MOVEMENT ROADMAP

*The Armenian Crusaders Liberation Movement was founded on the initiative of Artur Asatryan, entrepreneur and philanthropist. The Movement performs its activities with the direct participation of its founder and his like-minded people. The scope of measures aimed at the formation and further development of the organization is determined and approved. This roadmap will be implemented on an ongoing and systematic basis.*

## **1. Main objectives and mission of the Movement**

- Bringing together Armenians from all over the world
- Decent presentation of the image of an Armenian and the Armenian people to the world
- Restoring the atmosphere of justice in the Armenian society, establishment of the supremacy of the national ideology in the Motherland
- Promoting the preservation of the Armenian identity in all diasporas.
- Building friendly and trusting relations with representatives of other nations

## **2. Main principles and mechanisms of functioning of the Armenian Crusaders Liberation Movement**

- 1) Establish representative offices of the Movement in all major cities of the Armenian diaspora and prepare platforms for constant communication.
- 2) Hold meetings in the communities of the Armenian diaspora, present the ideology, objectives and tasks of the Movement in direct dialogue with compatriots.
- 3) Regularly hold various meetings in Moscow with all members of the Movement.
- 4) Hold online meetings with the leadership and members of the Movement on a weekly basis, solve all urgent issues in discussions with them.
- 5) Ensure constant communication of members of the Movement with historians.
- 6) Involve any prominent representatives of culture, science and sports in the activities of the Movement, organize regular meetings with them.
- 7) Always report of cases of injustice that occur in our Motherland. The Armenian crusaders will force to correct all mistakes made against our country and people, regardless of who is the source of injustice – other peoples or our own.

## **3. Self-preservation of the Armenian people and its positioning in the world**

- 1) **The Armenian family** is the basis for the existence of the Armenian people. The ideology of a strong Armenian family will be reflected in all spheres of activity of the Armenian Crusaders Liberation Movement.
- 2) Conduct some educational work among the Armenian youth around the world, provide them with a true and worthy image of an Armenian, support the desire to preserve their national identity.

- 2) Assist the development of talents among children.
- 3) Assist the self-realization and career development of our promising compatriots abroad.
- 4) Hold exhibitions representing Armenian culture and art in the largest cities of the world.
- 5) Search for valuable exhibits of Armenian history and culture all over the world, facilitate their return to the Motherland.
- 6) Introduce all traditional dishes of Armenian cuisine to the world.
- 7) Provide comprehensive support to the Army of the Armenian Crusaders Liberation Movement.

#### **4. Priority ways of interaction with the Armenian Apostolic Church**

- 1) Establish close cooperation with the Armenian Apostolic Church and clergy, jointly develop and implement projects aimed at preserving and strengthening the traditional faith in the Armenian society.
- 2) Contribute to strengthening the position of the Armenian Apostolic Church in the Christian world and support the construction of new Armenian churches abroad.
- 3) Celebrate the main church holidays on a grand scale, while turning them into true national celebrations.
- 4) Contribute to the return of lost property and material values to the Armenian Apostolic Church.

#### **5. Social sphere**

- 1) In the social sphere, the eradication of poverty in Armenia is the most important task of the Armenian Crusaders Liberation Movement.
- 2) In discussions with members of the Movement, identify those priority charitable projects that the Crusaders will undertake to implement.
- 3) Develop efficient projects for targeted assistance. Make charity a tool for the fundamental issue-solving process, while acting according to the following principle: "give not the fish, but the fishing rod."
- 4) Perform a large-scale work with the rural population of Armenia, promote the improvement of the level of agriculture and the well-being of villagers.

#### **6. Interaction with other nations**

- 1) Establish a permanent interaction and hold regular meetings with foreign embassies, diplomatic missions and community structures of other peoples.
- 2) Initiate joint projects in the field of culture and art with community organizations of other peoples.
- 3) Hold social events that stimulate the dialogue of cultures, while involving representatives of the art of other peoples.
- 4) Promote the integration of foreigners temporarily staying in Armenia into the Armenian society, create conditions for a greater influx of people into the country.
