

## **G7 B2 Shared Document:**

### **Main Ideas about what we watched in class today:**

- share information among my group even if we are in different places (Ms. Maru)
- I think that google documents are very useful, and it is a good alternative to Microsoft word.
- I think that Google Docs is very helpful and organized system that Google has designed and that it will organize projects and documents that are needed. (Tyler Hamilton)
- I think that google docs is a better alternative to Microsoft word (Cole Malone, Kennedy Donatto)
- The videos helped me to learn how to use google docs. Google docs is very internet safe, so I think I will start using it instead. (Scarlet Oakley)
- I think google docs is an amazing new way of sharing and organizing documents. (Niki Long) Google Docs is a safe way to store files without using a filing cabinet!.(Ansley Davis)
- I think that google documents is a great alternative and is multi-purposeful. (Kelsey Hassell)
- I think its a good idea but I wouldnt use it cause it doesnt' have as many features its just quicker.(Jack Woods)
- Google docs is somewhat useful because sometimes it could be confusing.
- I think that good for graphs.(Madison Goble)
- (Makenzy,Cole,Tyler ) Google Docs is a good way to communicate with eachother even if you are not together Google docs is a very safe, and makes it harder to lose documents.Jack woods

We could use google docs to send in overdue papers or if we are sick. (Abraham Darwish)

### **Reflections on how to be a proper digital citizen (*specially while working collaboratively in a digital environment*):**

- do not delete/change/alter somebody else's information/post (Ms Maru)
- When we work in groups or need to show you a document we can use google docs (Niki Long)
- Be respectful and collaborate with your group. (Kelsey Hassell)
- Be cooperative with your group don't try to be difficult. (Jack Woods)
- Just be doing the right thing instead of slacking off when your supposed to be doing a certain thing. (Kennedy Donatto)
- Be open to what your group has to say and work together.(Madison Goble)
- you need to be nice to all people and ideas (Cole Malone)
- Listen to what the teacher's instructions are regarding to your "behaviour" online. (Cole Clark)
- Don't copy others work take responsibility for your own work!(Ansley Davis:)
