

Dear Brookside High School Families,

Hello! My name is Lisa Sheehan and I am a Family and Consumer Sciences teacher at both Brookside Middle and High School. I have your son or daughter in my Career & College Readiness class this semester.

The Family & Consumer Science mission is to teach students practical life skills that will help in preparing them for the future. FCS education provides students with instruction and knowledge to make informed decisions using the critical science approach and practical problem reasoning skills.

In this Career & College Readiness class, students will develop effective learning strategies and skills to provide a strong foundation for successful lifelong learning. Topics will include principles and techniques of professionalism, networking, conflict-resolution, negotiation, leadership and entrepreneurship. Students will research careers and occupations, review postsecondary admissions qualifications and develop interviewing skills. **Throughout the course, students will work to obtain the formal designation of the OhioMeansJobs – Readiness Seal on their diploma. Students who complete all requirements can also earn a Leadership Excellence Certification.**

The classroom expectations and materials needed for my class are below.

Classroom Expectations:

1. Be on time, on task & prepared for class everyday.
2. Be respectful of others.
3. Be distraction free.
4. Be responsible for your own learning.
5. Have a positive attitude!

Materials Needed:

1. Google Classroom
2. Pocket Folder
3. Sharpened pencils
4. Notebook paper

Classroom Communication/Contact Information:

I believe that for students to be successful at school, we need to work as a team. Attached to this letter is our course syllabus and a parent contact form, please review with your child the classroom expectations and materials needed. Please fill out the parent information sheet and return as soon as possible. Please feel free to contact me with any concerns or questions about your child's education. I can be reached by email at lsheehan@sheffieldschools.org, or by phone at the school at 440-949-4228 ext.2306. My hope is that your child will have the best experience in my class and gain new skills and confidence throughout the semester. If there is anything I can do to help make this happen, please let me know.

I look forward to a great semester with your children!

Sincerely,

Lisa Sheehan
Family and Consumer Sciences Teacher
Brookside Middle/High School

Parent Contact Information Sheet

Career & College Readiness- : Mrs. Lisa Sheehan

** Please share your contact information below so I can let you know periodically via email some of the great things going on in our classroom.

Student Name: _____
