Forgot your <u>www.turnitin.com</u> account?

- Unfortunately, I don't have access to your individual account info, but try the following:
  - Use the FORGOT PASSWORD? option under the login boxes; perhaps that can help
  - If all else fails: create a *new* account using the info from the beginning of the year below

To Submit an Assignment:

- WATCH VIDEO HOW-TO
- Go to **your class**
- Select appropriate **ASSIGNMENT**
- Click on **SUBMIT** button
- Select **"SINGLE FILE UPLOAD"** in the drop-down bar next to SUBMIT ("Single File Upload" will maintain your formatting better than the Cut & Paste option. Either way, don't stress if turnitin skews formatting; I will look at Google Classroom submissions for formatting requirements)
- Plug in relevant information and select file
- Click on **UPLOAD;** It will show you a PREVIEW
- Click **CONFIRM** to officially submit. This may take a few minutes; make sure it submits before you log off. **You should get a "Congratulations" message when everything goes through**.
