Dear Volunteers,

Thank you for serving in children's ministries at Peace Church. You are scheduled to work in Nursery or Children's Church. In Nursery, only approved individuals (14+ yrs old) assigned to work will be allowed in our nursery rooms unless prior approval is given by the nursery coordinator. If you are working in Children's Church, you may serve as a family as long as two approved workers (one 18+yrs old, the other 13+yrs) are present.

Please arrive promptly to your assigned area. Nursery (off hallway outside Sanctuary) and Children's Church (in C107) workers should arrive at least 10 minutes prior to the start of the service.

Each volunteer must wear one of our Peace Kids aprons when working in Nursery or Children's Church. This is a convenient and comfortable way of designating approved caregivers to all parents and especially to our visitors! Please remember, no hot drinks are allowed in the rooms. Nursery will have Honey Maid graham crackers available for fussy infants, toddlers, (and volunteers...). Children's Church does not serve snacks.

Blessings,

Susan & Sara
