EMPLOYMENT AND RELATED WORK EXPERIENCE

SUPPLY PREACHING FOR FAITH PRESBYTERIAN CHURCH, BLUE RIDGE, GA

Advent 2012 through Epiphany 2013: began after the retirement of one pastor, through search for and until the arrival of Interim Pastor (and have preached there several times since)

Visited church for worship and lunch well before coming to preach and met twice with session

Came to know congregation and what was happening in the church at the time

Chose weekly lectionary readings and preaching themes that resonated with church's in-between time and the liturgical season

Planned and led special services with participation of congregation (Festival of Lessons and Carols, Service of Wholeness and Healing)

Coordinated weekly with church musician and readers of liturgy and Scripture

Prayed with and for the congregation during my 'season' with them

Stayed in touch during the week via notes and hospital visits

Anticipated the arrival of their Interim Pastor with them
