

A score of zero will be given to any element not meeting the minimal standards.

Element	10	7	5	Points
Text Quality				
Titles, Headings, and Subheading	Text clearly reflects the importance of information and relationship between items.	Room for improvement, but good overall	Use of titles etc. is confusing and random	
Descriptive Text	Text succinctly conveys the essential information and engages the curiosity of the reader.	Text includes unnecessary information or lacks engagement.	Text leads to more confusion or uninformative, boring	
Conventions	Text is completely free of errors in spelling, grammar, and syntax	Minor errors	Multiple errors in conventions leads to confusion.	
Design				
Layout	Poster is laid out in an easy to follow design in which the organization of information is clear.	Some confusion, but overall fairly good.	Difficult to follow or not in a poster format.	
Graphic Elements	All photos are cropped and frame for maximum effect and properly cited on image	May have a mistake in one photo, or just minor adjustments overall	Photos cropped in a way that leaves out info or ugly missing citation	
Content				
Images	Has an image for movie, literary character, and real person.			
Text	Text accompanying each example			
Title and Subtitle	Yes			
On Time	Yes	Within Grace Period	WTH	
Clear Understanding	Demonstrates a clear understanding of the code as it applies to the characterization of the samurai in the movie and how it can be used to analyze other characters.	Demonstrates some understanding.	The connection between the code and the examples demonstrates that the student does not clearly understand the concept or the text.
