Dear Sir or Madam,

Re: Review of Public Spaces Protection Orders.

The Council introduced 168 Public Spaces Protection Orders (“PSPOs”) (one for each parish) on 1 September 2016 and in accordance with Section 60 of the Anti-Social Behaviour, Crime and Policing Act 2014 (“2014 Act”), is required to review these Orders at least every three years.

The 2014 Act provides that the local authority that made the Order/s may extend the period for which it has effect if satisfied on reasonable grounds that doing so is necessary to prevent:-

- (a) occurrence or recurrence after that time of the activities identified in the Order, or
- (b) an increase in the frequency or seriousness of those activities after that time.

The Council, in consultation with statutory consultees, strongly believes that if the PSPOs were to cease on 31 August 2022 the problems identified within the areas of the PSPOs are likely to return to the previous levels of frequency.

Paul Bellotti

Executive Director of Communities and Environment

The Council therefore proposes under section 60(2) of the 2014 Act to extend all of the 168 PSPOs for a further three year period from 1 September 2022 to 31 August 2025. In addition, following the informal consultation, the Council proposes under section 61(1) of the 2014 Act to vary the following Orders:-

Barmby Moor	Kirk Ella and West Ella
Beverley	Langtoft
Bishop Wilson	Market Weighton
Bridlington	Newbald
Easington	Pocklington
Hessle	Sigglesthorne
Hornsea	Tickton and Routh
Kilham	Wetwang

The draft variations to the above Orders can be viewed by clicking on the parish name. All existing Orders can be viewed on <https://www.eastriding.gov.uk/living/crime-and-community-safety/anti-social-behaviour/>

Prior to extending the PSPOs and sealing the variation orders the Council invites any final comments on any or all of the PSPOs. If you wish to submit any comments please visit the website above and submit them no later than 15 July 2022.

Yours faithfully
