LINCOLN PARK SOCCER PLAYER EXPECTATIONS

- Attendance is mandatory from day one of tryouts through the end of the season. If for any reason a player can't attend a training session or match, their parent must email the Head Coach in advance of that practice or game. Excused absences relate to family emergencies, academics, illness, and injuries. Otherwise, players with unexcused absences might lose their roster spot.

- Failure to attend a training session unless excused in advance by the Head Coach (academics, illness, injury, or emergency) will result in benching for first half of next game. Missing a game will result in being inactive for the next game.

- CPS requires all athletes to maintain passing grades for every class they are enrolled within. Players are prohibited from participating in games if any classes reflect a failing grade.

- Each athlete will be focused and give their maximum effort for ALL training and games.

- Each athlete will respect their Head Coach and will listen and comply with all instructions.

- Each athlete and their family will value their roster spot. Failure to attend 3 total practices/games that are not excused by the Head Coach in writing ahead of time, will result in removal from the roster for the balance of the season.

- Each athlete will be on time for all practices/games, properly attired and dressed for weather with indoor/outdoor clothing and shoes.
