****Please note the following:**

- Students will need to refill their pencil case on a frequent basis. Students are not in the same room each period and tend to lose items more quickly than in elementary school.
- Replenish school supplies as needed.
- Students should have agendas with them at all times.
- There may be incidences where the teacher may request a specific item. This will be explained in more detail if and when the need arises.
- Students will need to empty their binder periodically. Have a folder or extra binder to store older notes or work in either your locker or at home.
