

元気 第十八課の漢字 (Genki Lesson 18 Kanji)

You can see animated strokes to check the stroke order by clicking the individual kanji below. You will be quizzed on the mastery of correct stroke order. Pay close attention to the difference between kanji in typeset styles and handwritten kanji. In this lesson, the handwritten 的, 館, 宿, and 題 look significantly different from their typeset style counterparts.

# in Genki textbook	Kanji (Click for animated strokes)	Vocabulary you must be able to read and write for kanji/vocab quizzes (You do not have to be able to write the kanji in bold you have not learned, but you need to be able to read it in the given context. Words in brackets are for reading only.)
