

Gameaholic Studios Privacy Policy

Gameaholic Studios mission is to connect the world through games. We deliver fun, social entertainment experiences to people around the world. In pursuit of our mission, we collect and use certain information from our players. Being transparent about our use of players' information and respecting their privacy is incredibly important to Gameaholic Studios.

If you have questions, comments, or concerns regarding our Privacy Policy or practices, please [Contact Us](#).

1. Introduction

This Privacy Policy describes what information Gameaholic Studios collects and how we use, disclose, transfer, and store it. If you do not want Gameaholic Studios to collect, store, use or share your information in the ways described in this Privacy Policy, you may not be able to play our games or use our services. Our commitment is to put users first. We strive to be transparent about how we collect and use information from our users, to keep the information we collect secure, and to provide users meaningful choices.

2. Information We Collect and How We Collect It

We collect various types of information about our users in connection with the Services, including:

Information you provide to us; we collect the information that you provide to us, for example when you communicate with others or post, upload or store content, contact our Technical Support team, or provide billing information. Information we collect about your use of our Services; and including your IP Address, device model, browser version, operating system type, operating system version, mobile network information, device settings, and software data. Information we obtain from third-party sources (e.g. a social network such as Facebook) to share with us, such as your email address or other information that may identify you.

3. Information from Cookies and Other Technologies

We collect information using web beacons, cookies, and similar technologies. Cookies are small data files stored on your hard drive or in device memory that help us improve our Services and your experience, see which areas and features of our Services are popular, count visits, and understand how users interact with ads. We may provide aggregated information, and data with personal identifiers removed, to third parties to describe how our customers are using the Services. We also may share information about you with third parties whenever you consent to or direct such sharing. . The Gameaholic Studios Privacy Policy provides additional information about our collection of information through these technologies.

4. Security and confidentiality of your personal information

We have in place certain procedures to protect your personal information in our custody and control, but cannot guarantee the security of our Services or our control over your information when it is transmitted over the Internet. We take, and force applicable third parties to take, reasonable precautions to protect your personal information against loss, misuse, unauthorized disclosure, alteration, and destruction. However, please remember that no transmission of data over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your information, we cannot guarantee the security of your information and do not assume any responsibility for the unauthorized use of, or access to, your information that is under our control.

5. Data Retention and Data Transfer

We store the information we collect about you for as long as is necessary for the purpose(s) for which we originally collected it. We may retain certain information for legitimate business purposes or as required by law. We and our service providers may transfer your information to, or store or access it in, jurisdictions that may not provide equivalent levels of data protection as your home jurisdiction. We will take steps to ensure that your personal data receives an adequate level of protection in the jurisdictions in which we process it.

6. Social Media Services

If you connect a social media account with the Services or engage with our services through a social media platform, we may share your information with that social media platform, and it may share information about you with us. We may use this information to personalize your experience on the Services and on the third-party social media platforms, or to provide you with offers or other products or Services you may request. The social media services' use of the shared information will be governed by the social media services' privacy policy and your social media account settings. If you do not want your information shared in this way, do not connect your social media service account with the Services.

7. If you are BETWEEN THE AGE OF 13 AND 18

We encourage parents to instruct their children about privacy and the way they use their information on the Internet. Children should never disclose their name, address or phone number, or any personal information, without their parents' prior permission. If you are between the age of 13 and 18, please have your parent or guardian read the Privacy Policy and get his

or her permission before you provide any personal information and before you sign up for or use the Services. Never tell anyone online anything private about yourself or your family, including your phone number and address, unless your parent or guardian has approved. Understand that certain social media platforms that you use to access the Services may have this information visible.

8. Changes to our Privacy Policy

If we decide to make material changes to our Privacy Policy, we will tell you and other players by placing a notice in-game or by sending you a notice to the e-mail address we have on file for you before the change becomes effective (and we will ask for your consent where required by law). We may supplement this process by placing notices on game blogs, social network pages, and/or player forums. You should periodically check our website and this Privacy Policy for updates. We encourage you to review this Privacy Policy frequently to stay informed about our information practices and your privacy choices.
